

Research Tasks Reminder

IMPACTS ON
INDIVIDUALS

IMPACTS ON
ORGANISATIONS

Reminder

The following exercises are contained within the presentation of: Implications of Data Security on Individuals & Organisations

This is a reminder to complete the two research tasks, naming the files **impact-individuals** and **impact-organisations** respectively

Research Task

Research Task – Using the web, can you find any other data security breaches that impacted on Individuals?

Research Task

Using the web, can you find any other examples of data security breaches on Organisations?
