

Outcome 4

Project: Teamwork

Lecturer: Mark Gillan

Evaluation

Critically evaluate the entire process including the planning, design, implementation and testing stages.

Individual of each team

Each member of the team must produce an individual evaluation report which must:

1. Identify strengths and areas for improvement in the project plan.
2. Identify strengths and areas for improvement in the implementation of the project.
3. Review each team member's contribution to the project, including your own.
4. Identify strengths and weaknesses of the team as a whole in carrying out the project.
5. Identify action points to improve the planning and implementation of future projects.

Outcome 4 report

Individual Evaluative Report

The evaluation can be a typed report.

At least 400 words

The report must be no less than 400 words in length.

Video Recording

Alternatively, the report can be a spoken report, submitted via digital media in a video recording format.
