

PRINTING EXERCISE

Lecturer: Mark Gillan

PRINTING EXERCISE

- Create a separate Word document or a separate PowerPoint presentation file for this exercise
- No need to physically print, but you are required to provide screenshot evidence of your ability to print as follows (a screenshot for each of the following)
- Ability to print all pages within the 'African Magician' Microsoft Word document provided to you
- Ability to print the file 'African Magician' with 3 copies of pages 3 through to 7, no need for pages 1 and 2 or any pages after page 7, only those selected page numbers would be printed
- Ability to print the file 'African Magician' with 5 copies of page numbers 2 and 5 and 7 only, no other pages required for printing purposes, but do not delete any pages from the document, do not edit the document
- Save your screenshot evidence in the one file, named: PrintEvidence
- Ensure you upload, place your evidence file in the relevant folder on One Drive
